Commissioners want to help jump start the slumping housing market, and they say slashing impact fees across the board could do the trick.

A | A | A

Board members want to cut-back by 50 percent.

Builders have to pay the fees when they get building permits, but a weak economy has caused building to slow down tremendously.

Commissioners say a reduced impact fee could help revive the market. Board members will address the issue at their next regularly scheduled meeting, March 18th.
